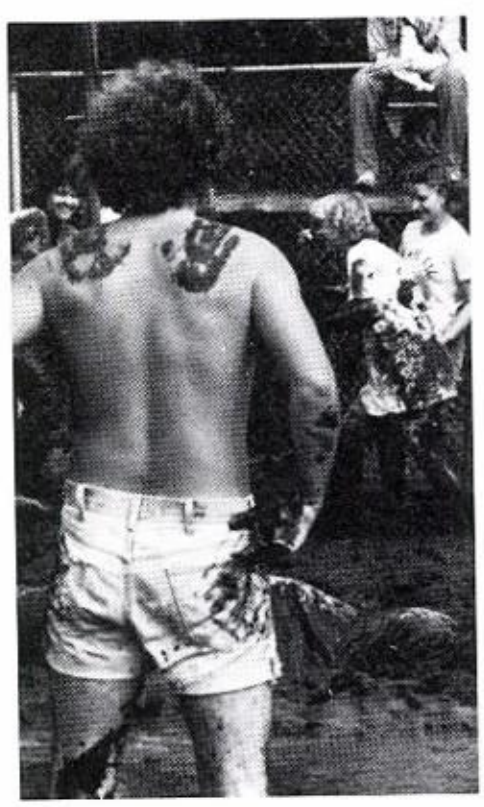
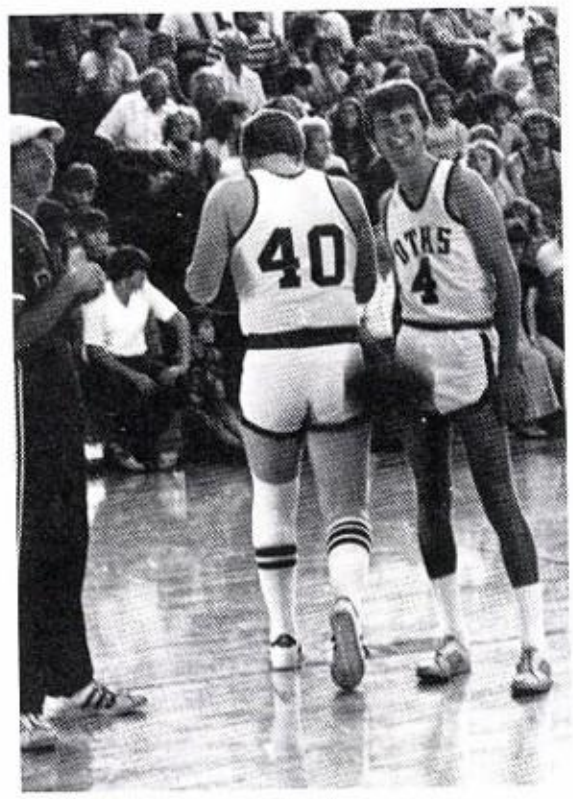
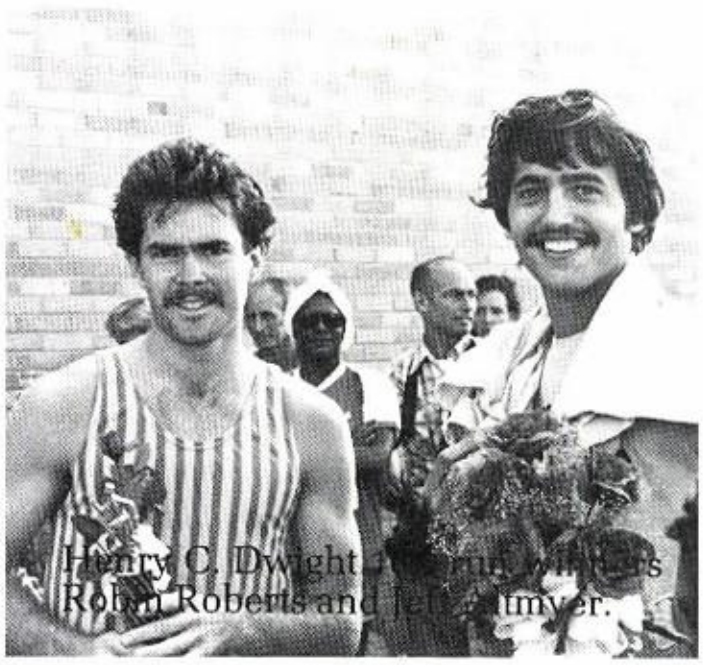
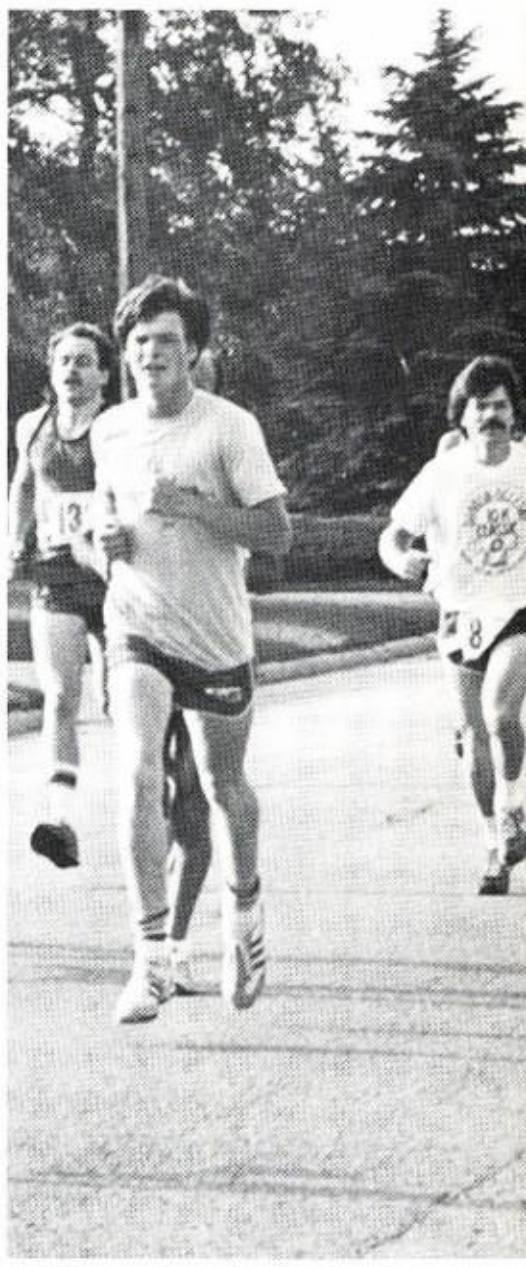
HARVEST DAYS

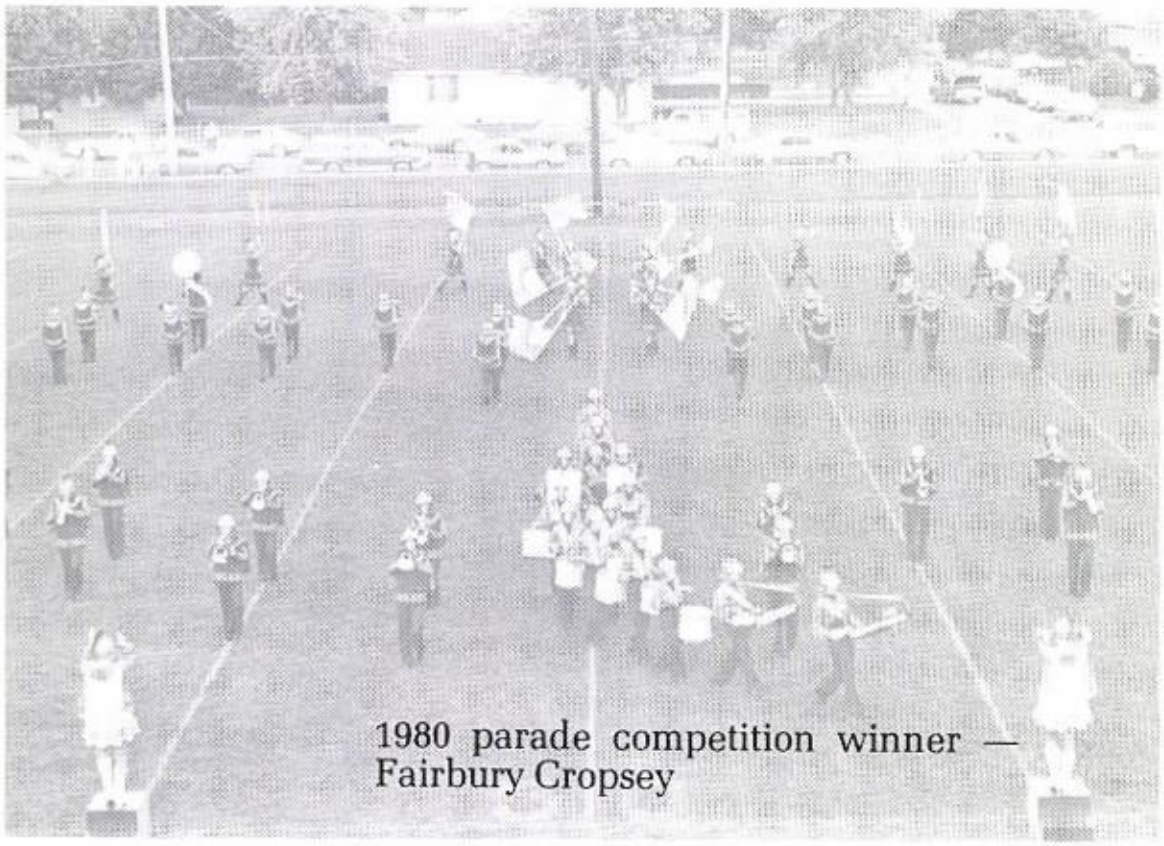






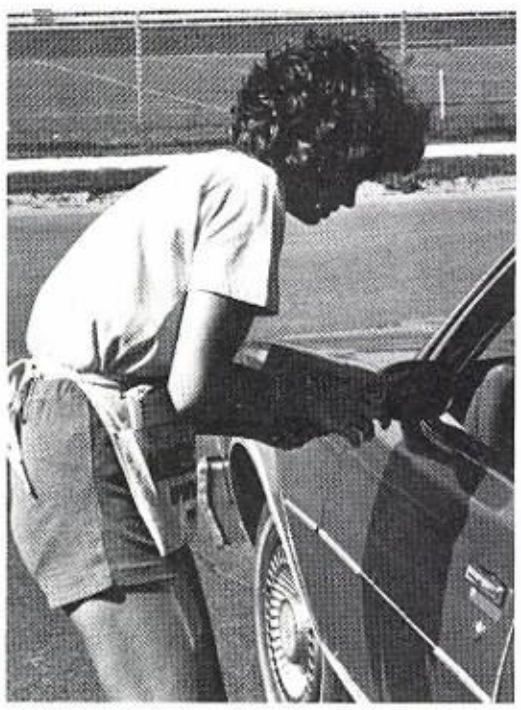
Henry C. Dwight [illegible] with [illegible] Robin Roberts and Jeff [illegible]myer.

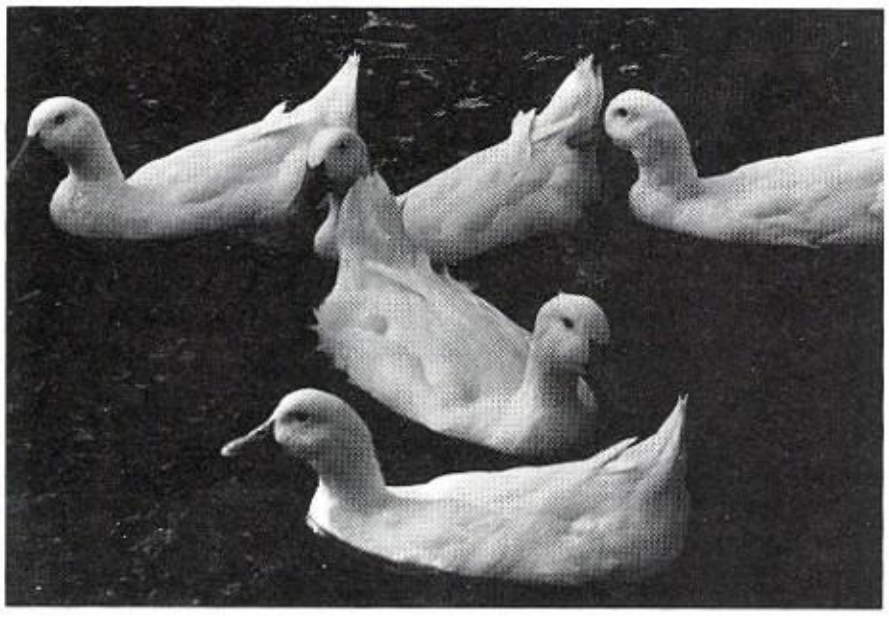


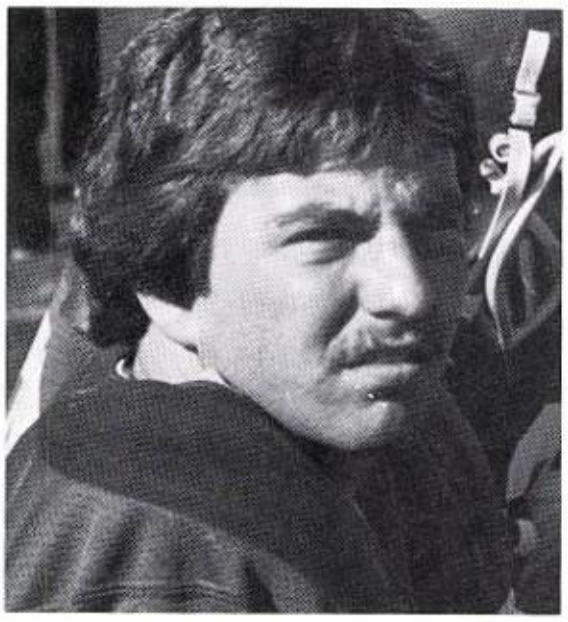


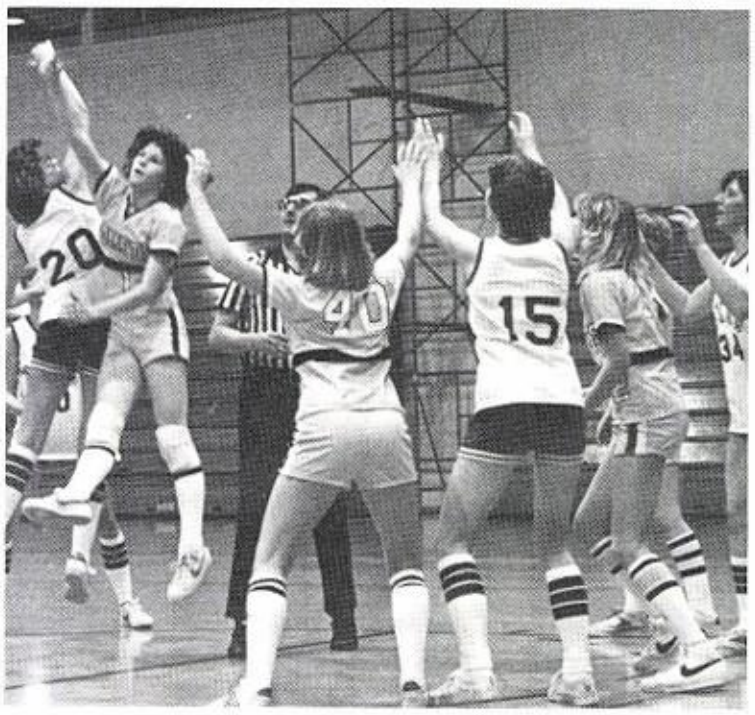
1980 parade competition winner — Fairbury Cropsey

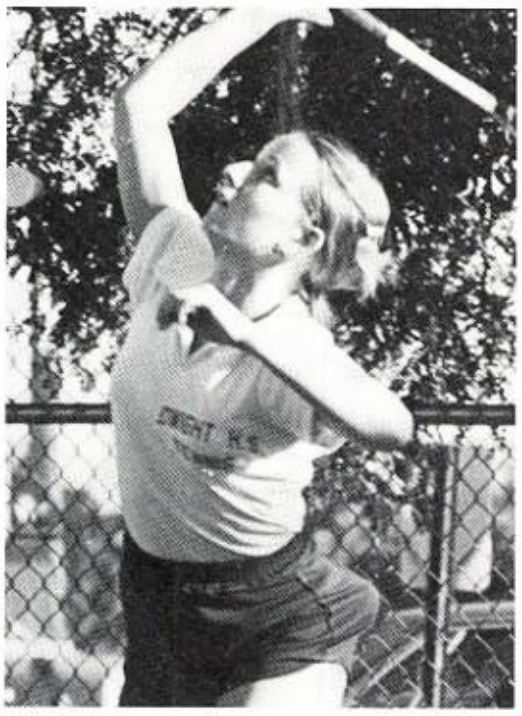
The second Dwight Harvest Days proved to be one of the busiest and most exciting times in our village. The variety of activities, food, contests, and entertainment was endless. Perhaps the only problem came in finding enough time to enjoy everything offered. Though everyone who participated in Harvest Days was important, our most famous guest was The Chicken Man, who entertained at the alumni basketball game and brightened the parade.











D-Club Officers are Dennis Anderson and Brian Riccolo — co-presidents, Cindy Clavey — secretary, Bob Broeksmit — treasurer.

Though all members of D-club have earned at least one letter, these people do more than rest on their laurels. They earned money running the pop machine and selling parking space during Harvest Days. This year the D-club has helped out with the purchase of a neck machine and girls Basketball uniforms. A trip to the Bull's Game highlights this year's schedule.

Homecoming 1980

Friday night's pep rally was highlighted by a spiking contest, won by Mike Harty, the Powder Puff Football games, with the Junior girls prevailing, the spirit stick competition, with the Seniors winning, and the coronation of the 1980 Homecoming Queen. A beautiful Saturday morning and the Homecoming parade (with Mr. Bob Anderson as Parade Marshall), led to an even better afternoon, as the Trojans captured the Braidwood Comets in a huge 64-21 victory.

The unforgettable Homecoming Dance's music was provided by CRYSTAL. The queen and her court were: Miss Chris Vining, escorted by Dana Smith, Miss Melanie Munger escorted by Steve Reece, Queen Coleen Cassidy escorted by Dennis Anderson, Miss Ellen Krischel escorted by Tom Anderson, Miss Pam Leonard escorted by Mike Tambling and Miss Vicki Clavey escorted by Brian Riccolo.

Most students' favorite time of their high school career (aside from graduation), is Homecoming. This year's fabulous Homecoming Week proved itself to be very exciting and full of activities. Many contests were held during the week, with a wide range of assortment, such as:

Cutest Trojan Baby — Dennis Anderson.

Girls Punting Contest — Winners: Senior girls.

Car Push — Winners: Senior Nerd Day — Winner: Jim Zschau, Honorable Mention: Cathy Stroh.

Car Push — Winners: Senior guys and Junior girls.

Hat Day — Everybody won.

Go For The Gold Football Really — Seniors.

Frisbie Toss — Winners: Sophomores.

Bobbing for Apples — Winners: Seniors.

Fill the Swimming Pool — Winners: Sophomore girls and Freshman boys.

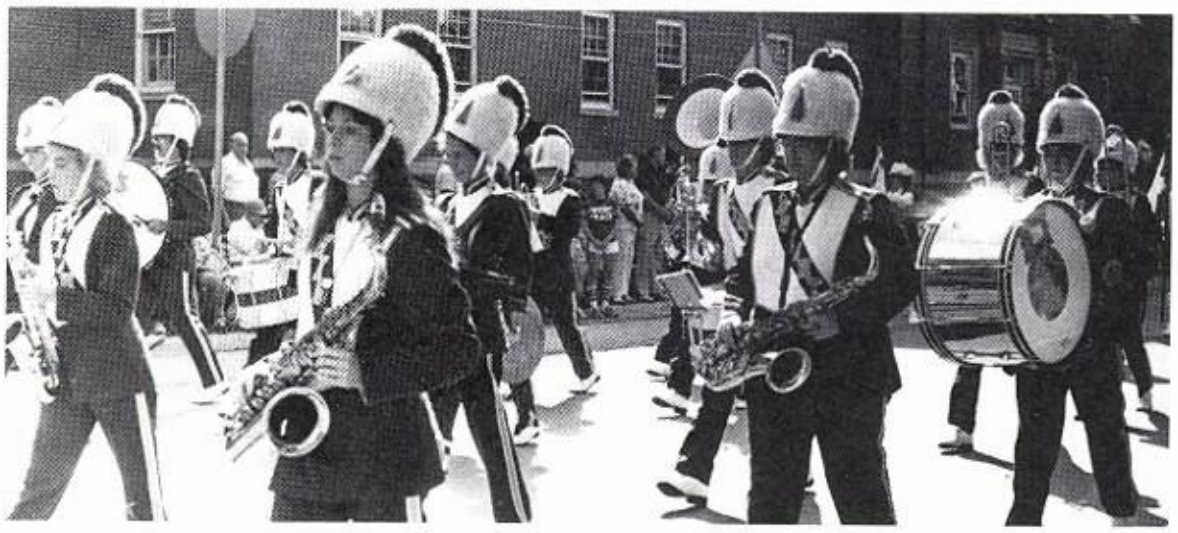
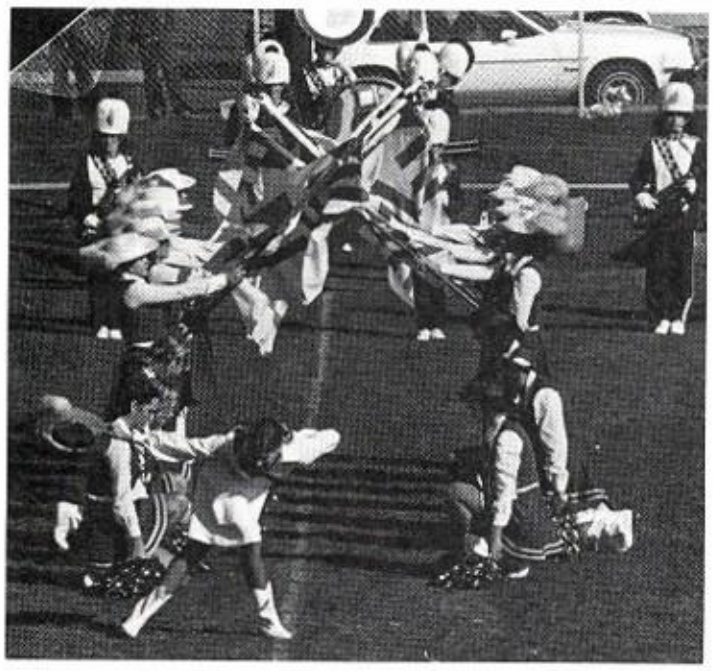
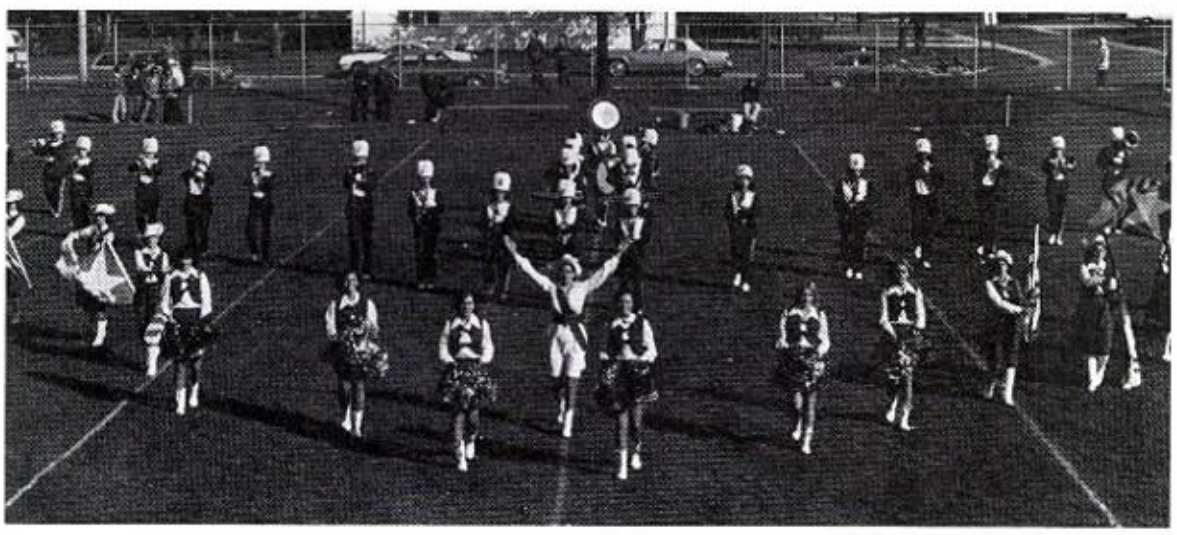
The Marching Trojans

From attacks by bombarding mosquitoes to cold-numbed fingers, executing notes, the Dwight Township Marching Band braved all sorts of elements as they performed for the entertainment of students and townspeople alike.

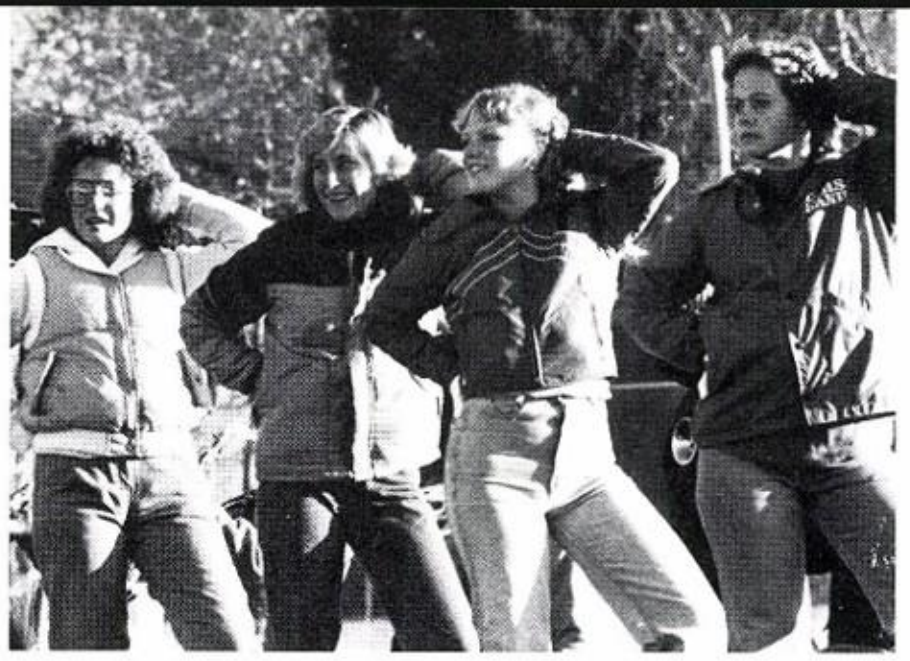


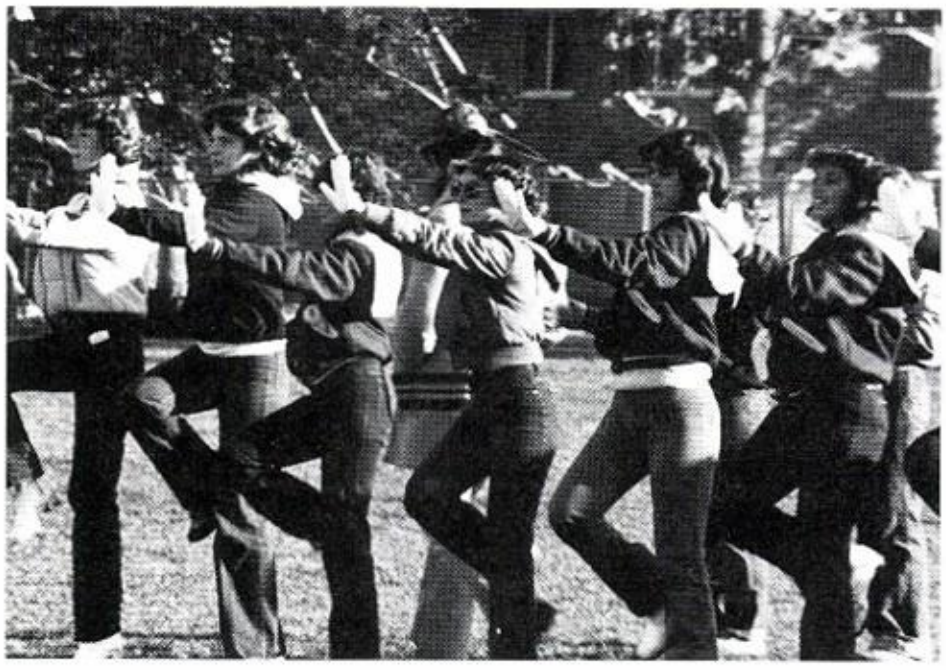


These hardy souls managed both morning and evening practices in their dedication to excellence. Led by Director David Swaar, and Drum Major Rachel Kirby, the marching band provided moments of pride at parades and half-time shows.



Flags





Sometimes looking glamorous and smiling proves to be difficult when the late summer mosquitoes or the early autumn wind is biting at one's legs. But the flag squad managed to snap to attention and perform well, as they entertained the crowds and boosted school spirit. The performers were enhanced with a fresh look-new boots, pompons, flags and hats decorated the spirited squad from head to toe. Whether marching in a parade or performing on OAF, these girls must have made director Mr. Swaar and Captain Jill Geschwind proud to be their leaders.

Flag members are: Paula McStoots, Teresa Zappa, Denise Ferrara, Kim Kratochvil, Patty Peach, Anne Friant, Janet Schou, Rhonda Steffen, Kim Patchett, Mary Murphy, Dawn Gregory, Dee LaLond, Carla Bricker, Jenny Bell, and Jill Geschwind.

Junior Varisty — Julie Scott — Captain, Patti Slattery, Janet Pokarney, Vicki Clavey, Missy Miller, and Julie Earing. Their hard-working sponsor was Miss Siebold.

The 1980-81 football season closed with the mighty Trojans in second place in the I-8 Conference. The team displayed courage, skill, and determination in rolling up an overall record of 6-3. A glance at the scores shows that these Trojans were indeed a team to be reckoned with. Many individual players received honors: six members were named to All Conference including Mike Whitson, Phil Orr, John Satter, Rich Mathiesen, and Brian Riccolo for offense and Phil Orr, Brian Riccolo and Dennis Andersen for defense. Brian Riccolo also made All Area first team and Mike Whitson, Jal Leonard and Phil Orr were given All Area honorable mentions. The fine record and individual awards are certainly badges of honor for Head Coach Rick Sharkey and Assistant Coach Mike Laskowski. Accolades "pass" to the Coaches and the entire team for a fine season and their dedicated work.

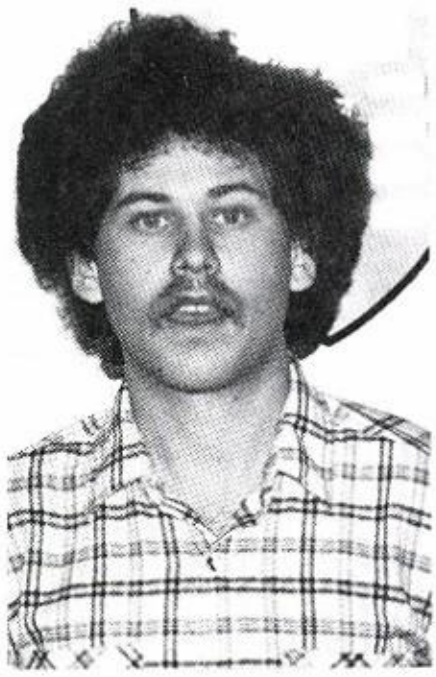
The F.F.A. officers for 1981 were left to right: Steve Hoegger — Sentinel, Jim Dowling — Secretary, Brian Berta — President, Dan Bossert — Vice President, Bill Orr — Treasurer, Rich Bergeson — Reporter.

Advisor Bruce Barr kept his fine FFA busy this year. These future farmers were involved in contests of land use, grain, livestock and dairy judging. They sold pork chops at Harvest Days, fruit in the winter, and seed in the spring. The Dwight FFA was represented at the ISU Ag Day, the FFA National and State FFA Conventions, and a Leadership Convention at JJC. With all this activity, they still had time to start a hog farm, enjoy the FFA Banquet, host the Young Farmer's Pork Chop Lunch, contribute to the Winter Homecoming Activities, and provide a Petting Zoo. The school year 1980-81 is one the FFA will remember with justifiable pride.

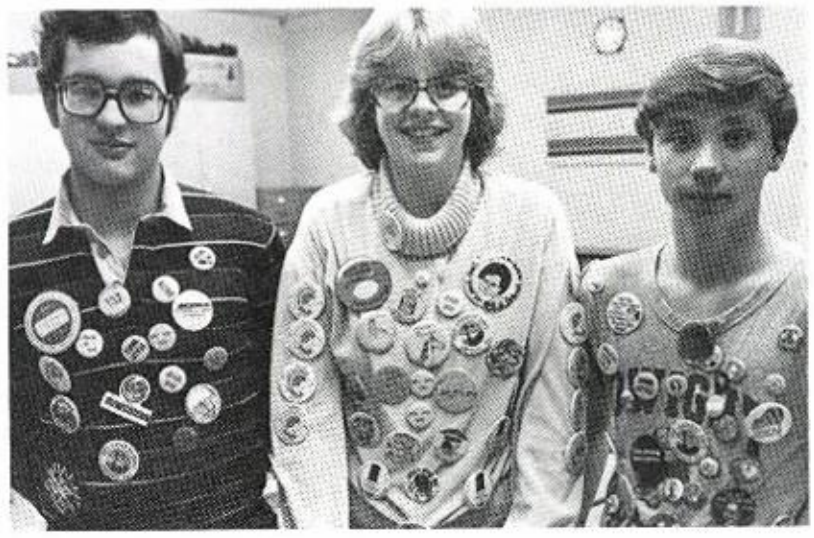
In the midst of a rather boring winter, the Winter Homecoming burst into our lives with a flourish. Many activities — both competitive and silly — paved the way for the Sweetheart Dance held on Feb. 14 this year.



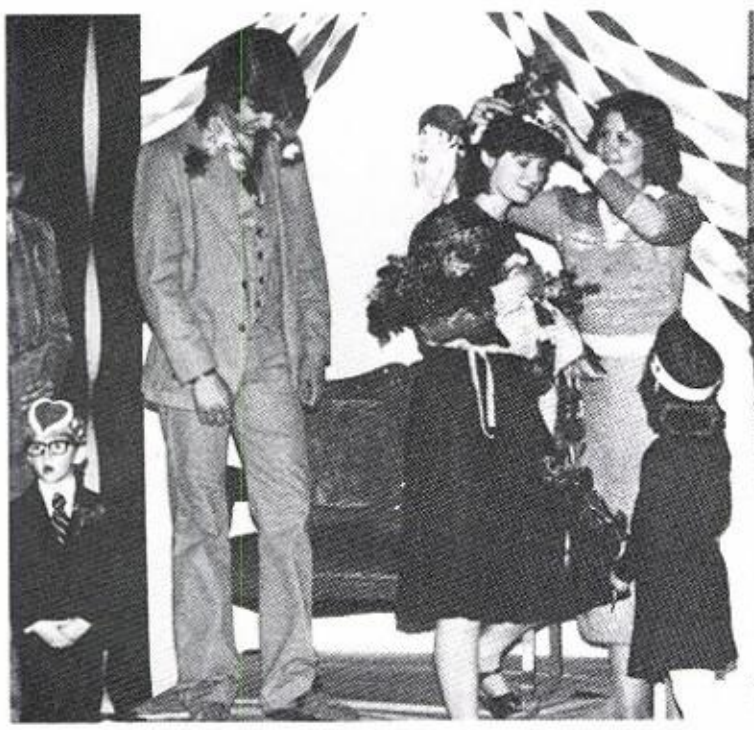
Winter Homecoming

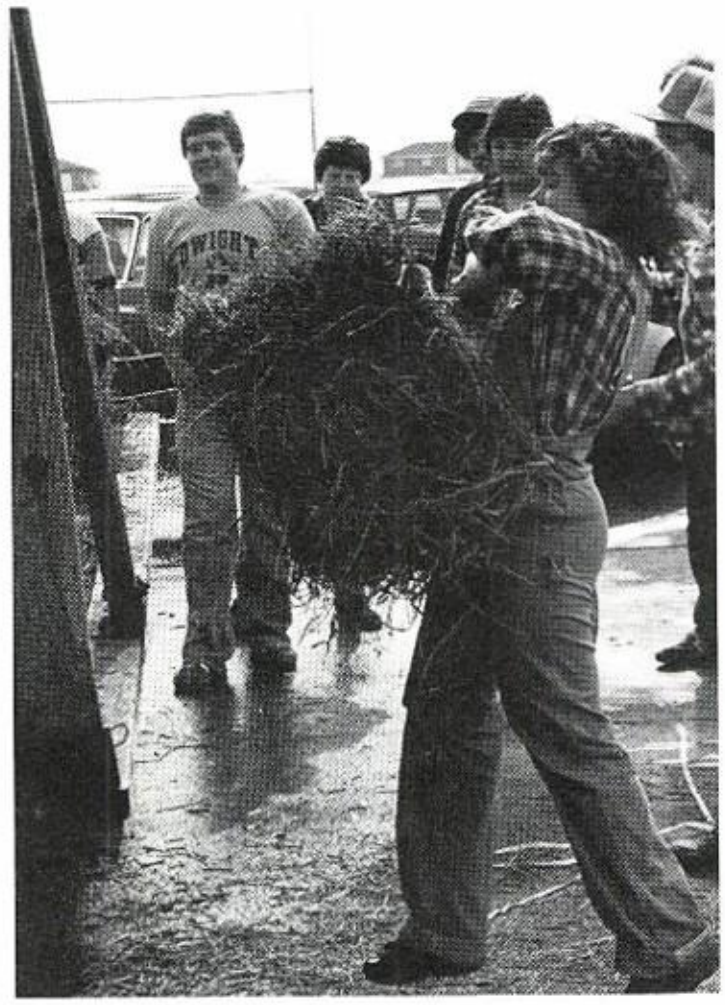
The FHA planned various activities for the festive week: a cake raffle, Button Day, Lifesaver Pass, and Bobsey Twin Day. Winners for Button Day were Chris Georgi for most buttons, Sam Broeksmit for largest button, Chris Georgi for the button with the most words and Lisa Jensen for the silliest button. Winners for the Lifesaver Pass were Kelli Slattery, Jill Geschwind, Lynette Kiper, Chris Christensen and Mary Clausen. The following people dressed up and won the Bobsey Twin Day: Kerry Fogarty and John Ruskin won Most Original; Chris and Sue Vining won Most Look Alike; and the Bobsey Triplets, Missy Miller, Julie Scott, and Kim Kratochvil won an award for being the Cutest Dress alikes. The planning and clever ideas of the FHA helped brighten Winter Homecoming Week.

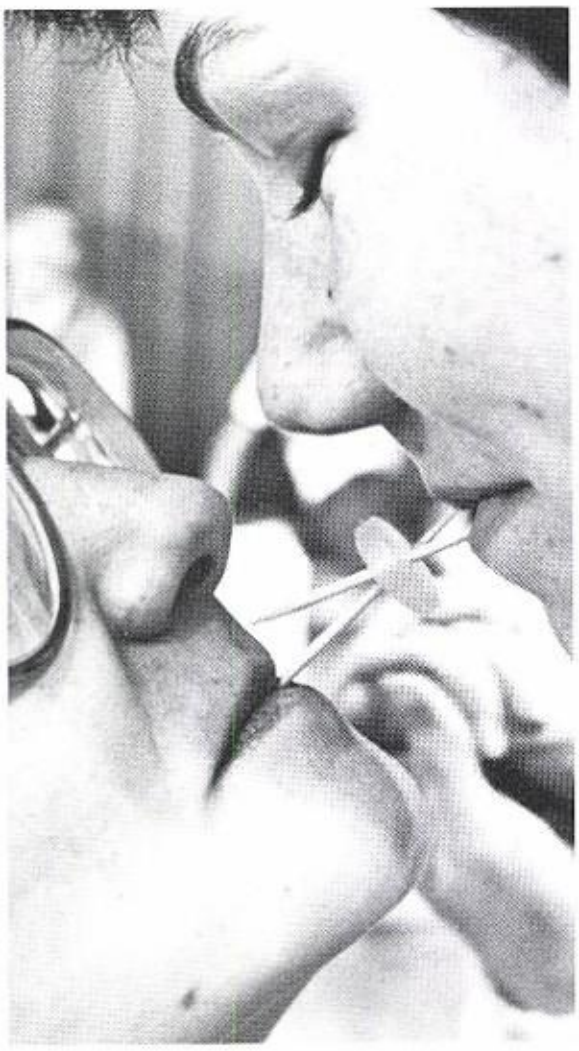
February 14, 1981

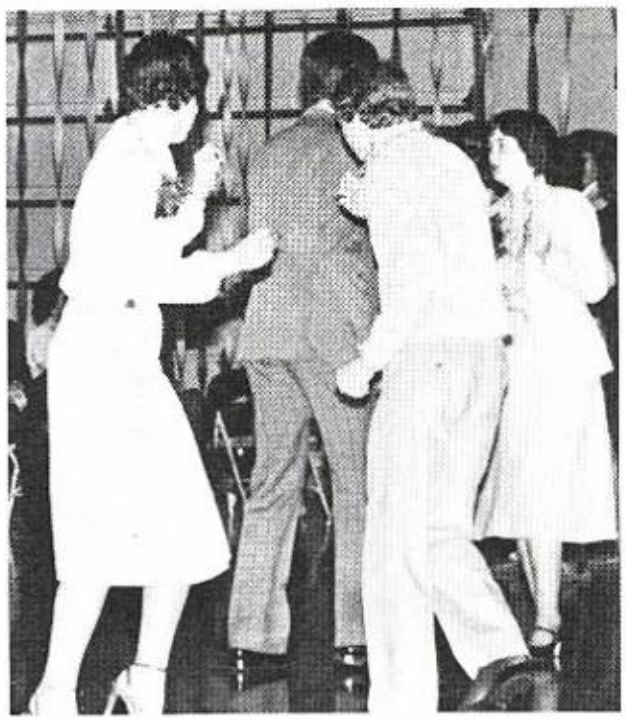


The FFA also made contributions during this busy week. The group sponsored a hay throwing contest won by Steve Reece, Julie Earing and Mike Tambling. The Donkey Basketball game provided much fun and many laughs. Three games were played: the FFA won against the FHA; the All-School team beat the R.R. Donelly team and the FFA team.









The dance itself highlighted the entire week. Here, the 1981 King and Queen, Jim Dowling and Sharri Wilson were crowned. Queen attendants were Melanie Munger and Cindy Clavey. King attendants were Steve Reece and Bill Orr. Sophomore attendants were Steve Hoegger and Dee German, while Freshman attendants were Paul Ferrari and Kim Kratochvil. The dance was a splendid way to end this busy and happy week.

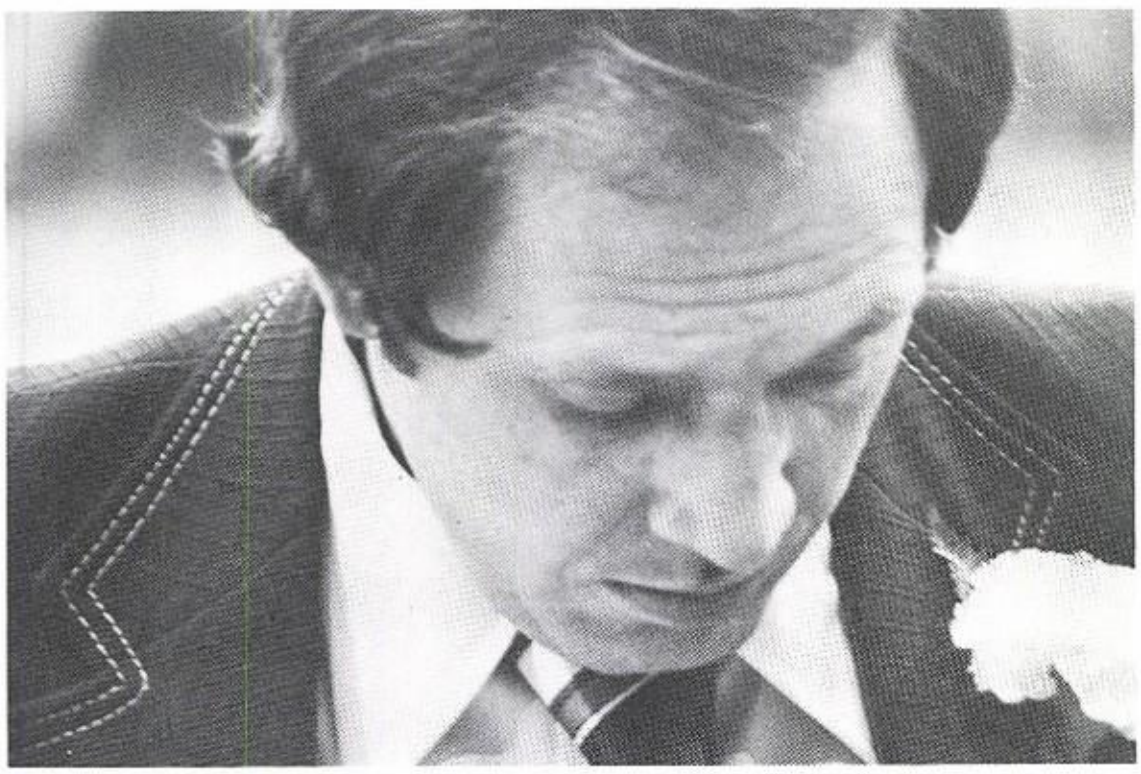
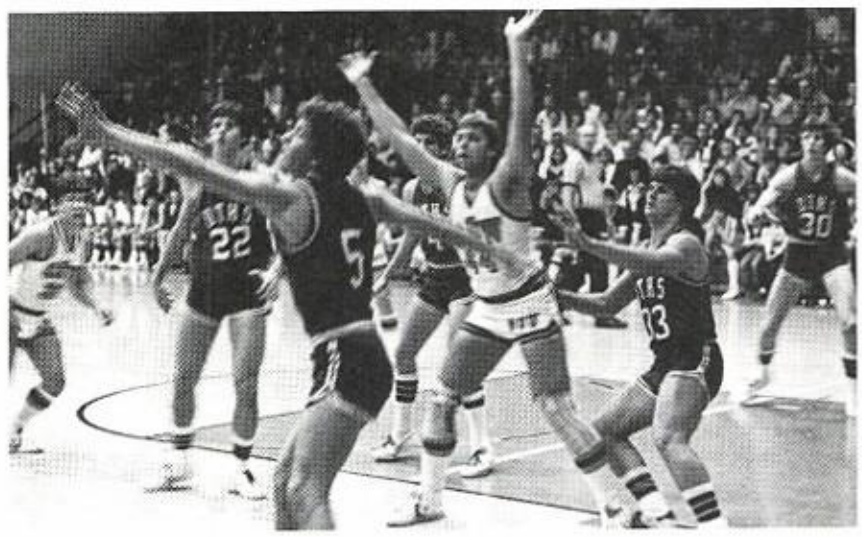
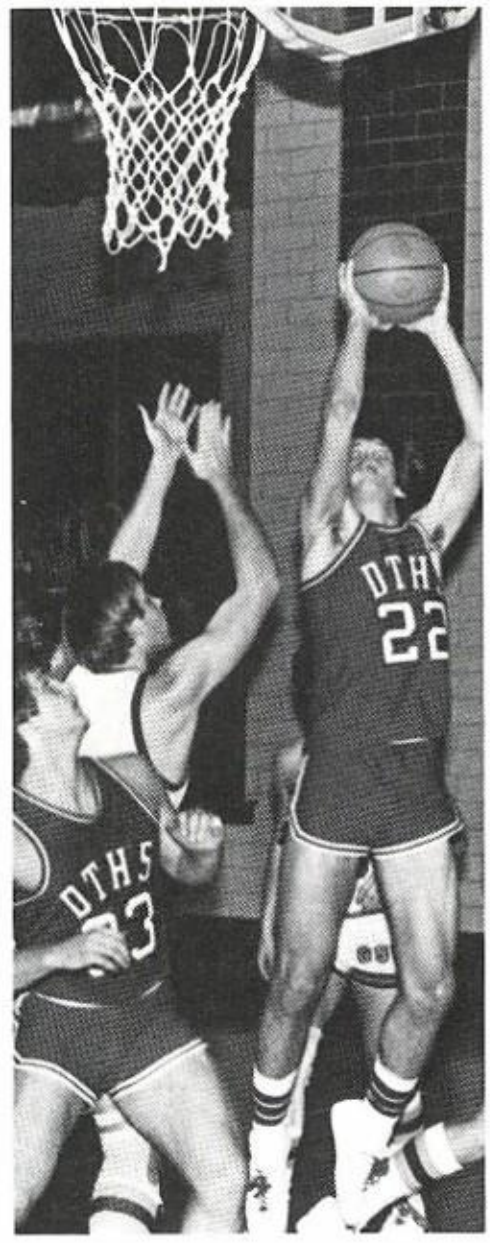
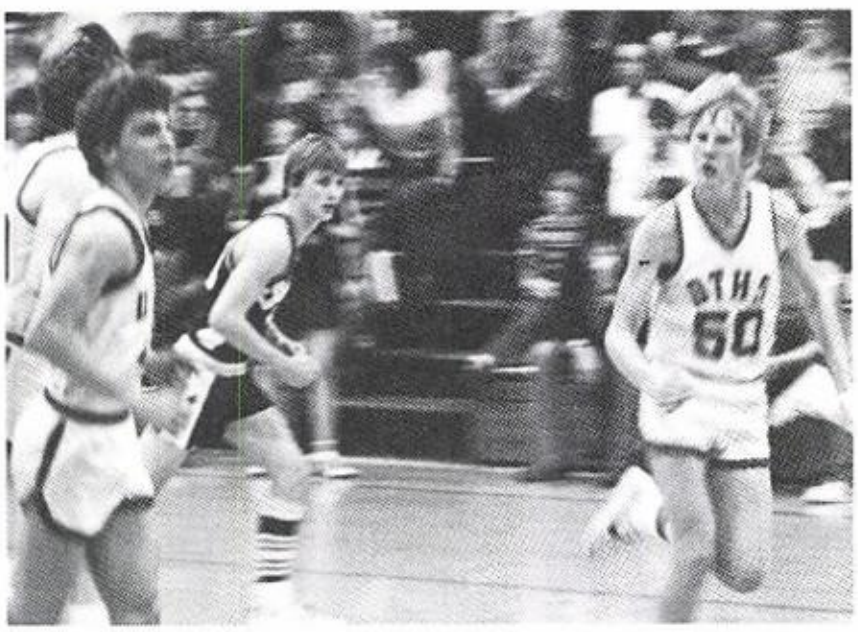
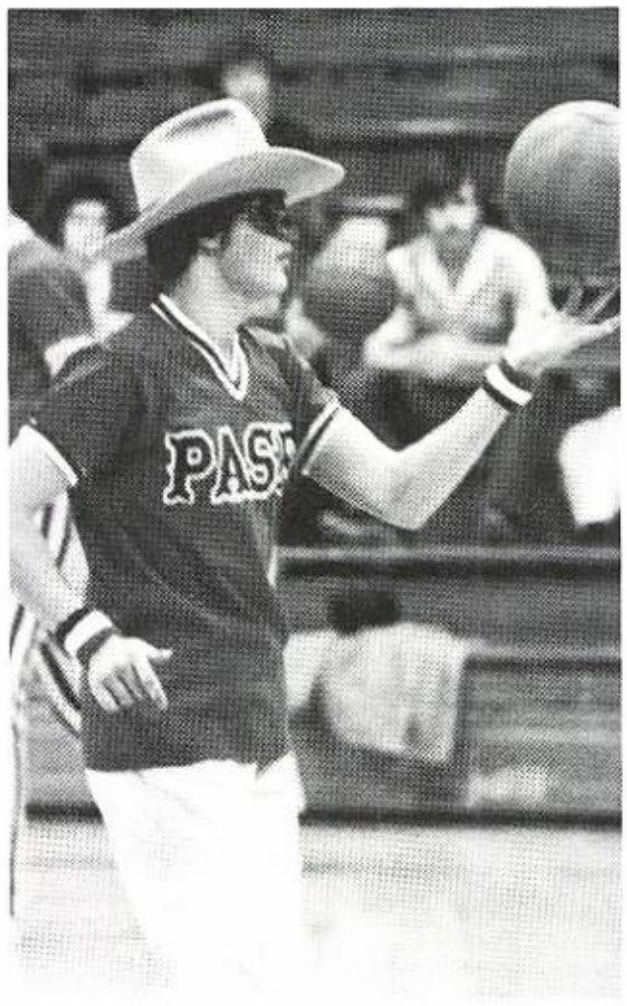
1980-81 Season

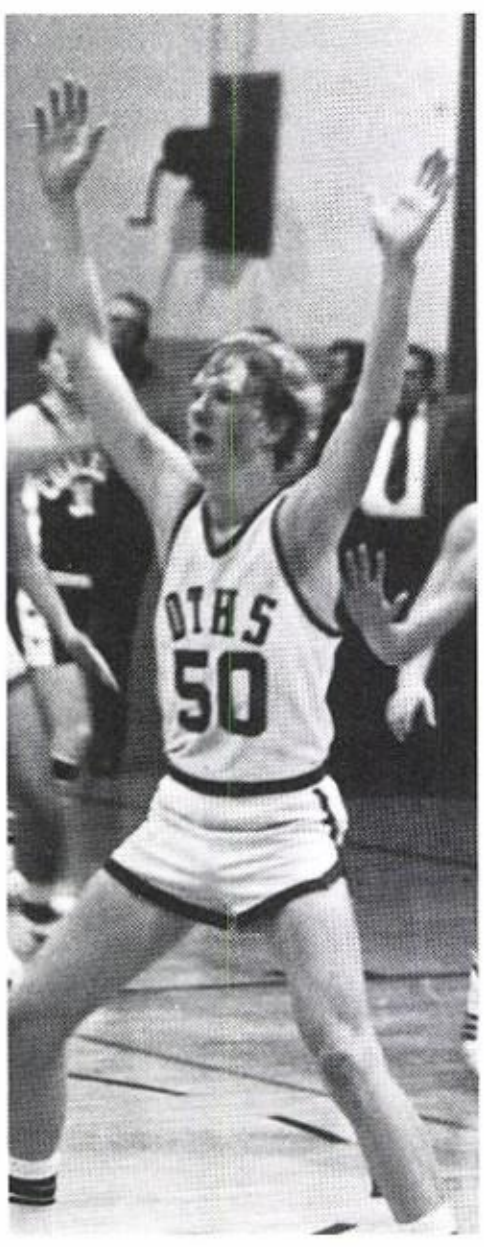


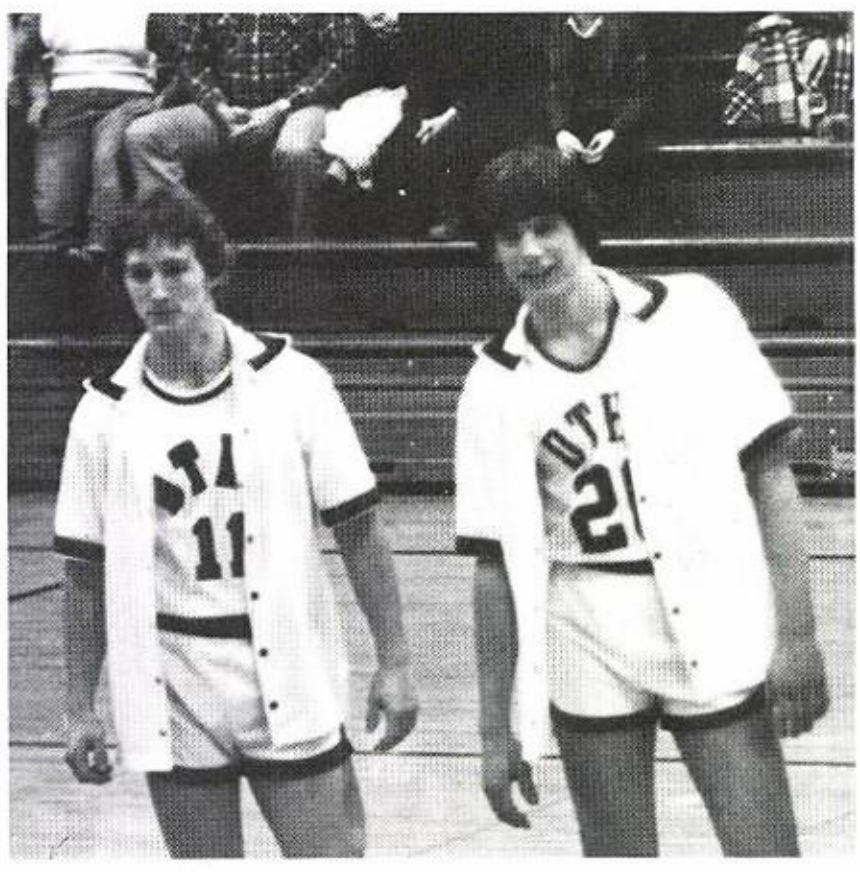












The 1980-81 Trojan Basketball team finished another fine year with an overall record of 22-6. They were the 2nd team to capture the Interstate 8 conference title, but lost to Coal City 63-62 in Regionals. The Trojans came home with the Plano Holiday Tournament title, and were the consolation champs at Woodland. After losing the first game, they came through to win the next 10 straight games. These people present The 1981 Trojan to everyone at DTHS. Without the staff's dedication, talent, time, patience and impatience, no record of the Faces of 1981 could exist. The photos were conceived, taken and developed by our staff photographers. The pages were designed, drawn, and written by the TRYST staff. We worked together; together it worked.

JAZZ BAND

This year's Jazz Band was not your average group. We had our share of problems, but we managed to pull it all together in time to defend our title at the Oaklawn Jazz Festival. Unfortunately, after holding 2nd place all day, we lost to the last band and came home with 3rd. (Which is still a great accomplishment. We competed against 16 bands.)

Then came Eastern. After performing magnificently in the morning, we settled down to more important things, (namely our Eucre card tournament,) to await the final results. By 4 o'clock, we were holding fast to 1st place, when to our shock, a band from Hoopston arrived, performed, left, and beat us. So, we came in 2nd, but since Hoopston left, we got to play in the evening concert, which proved to be a fantastic experience.

This year's band also had their share of good times. Who can forget how the front half of the bus, (lead by the courageous Meester Swaaaar,) beat the life out of the back of the bus after an hour of, "We don't wanna hear it," and "This is a SCHOOL FUNCTION. We do not allow any foul language on this bus!!" (or was it foul functions on this bus? . . .)

Concert Band

This year's concert band, like the other parts of the band program, improved a lot. The band received a first rating at the state band contest, and worked very hard to make this year a success.

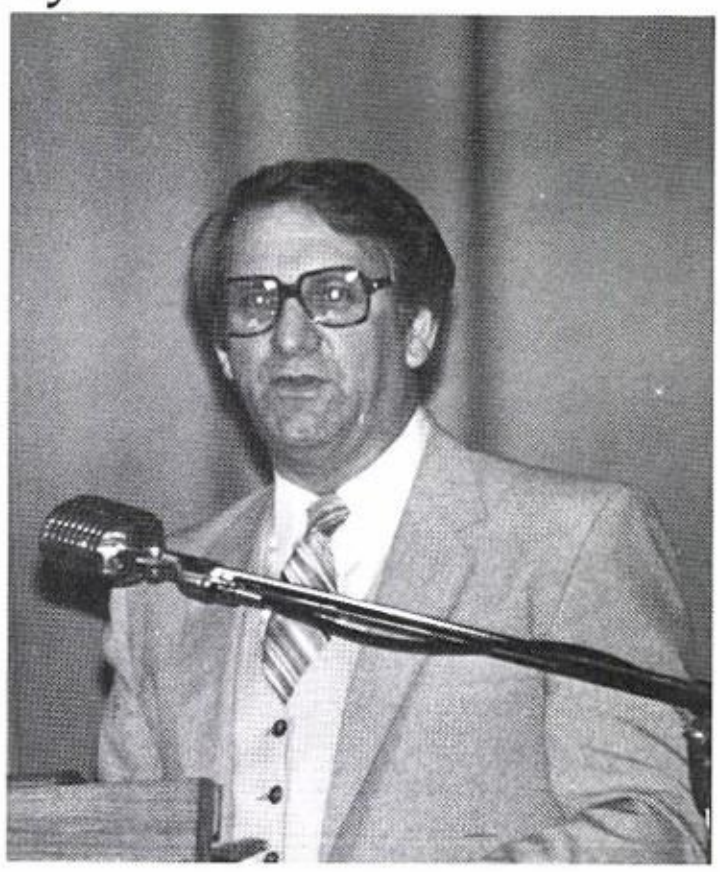
OUTLAWS

National Honor Society



Front row: Colleen Hoffman, Sue Scott, Mary Drechsel, Rene Schafer, Rachel Kirby, Colleen Cassady; *Back row:* Bob Broeksmit, Bryan Neuhalfen, Tim Neville, Danny Bossert, Bill Orr. Cathy Grieff was absent.

"These members of the National Honor Society have higher ideals, better control of their emotions, a friendly spirit, and intelligent purposes — all of which are a result of some kind of education. The students ... have already started to fit the pieces together. The self-education foundation these National Honor Society members have built has been complemented by intellectual curiosity. They tend not to be satisfied with a simple answer. A more thorough explanation is demanded from their source of information; these students have spent many hours studying books and observing classroom teachers. They are assets to their family and community and have indeed earned the right to be proud of their achievement of being selected as a member of the National Honor Society.

Scholastic Bowl '81

This year's Senior team brought home a first place win in the Interstate Eight Scholastic Bowl after beating Coal City (250-85), Plano (235-155), and Marseilles (194-77). Quick thinking and quick reflexes are musts for the ten point toss up questions, which go to whichever team signals first. When a tossup question is answered correctly, the team has an opportunity to earn points with bonus questions. Our winning Senior team consisted of Captain Bob Broeksmit, Dennis Andersen, Lori Call, ShanAnne Patchett, and Chris Delkus. DTHS also boasted a Junior Varsity team of Captain Eugene Mueller, Bryan Neuhalfen, Cathy Stroh, Liz Cherco and Tim Neville. Eugene received a medal for the individual with the highest score for the JV team.

Cathy Crieff received: Best of Show.

Life and Love

Life is very complex
like winding roads,
always bending and turning
roads; branching off,
you choose the
one you want.

On my road
I chose love,
and I found that
love can hurt as
well as mend
and comfort.

What is love?
Love can be
many things like
Sharing
Giving
Caring

In my life
I loved only one.
She gave me things
I never had;
of being wanted and
being needed.

I learned to take care of
the one I love
and give her back
precious memories of all
the things we did together.

Alas; she's gone now
but not the memories
she wanted more than
I could ever give.

So you see
love can hurt
you . . . me . . . everybody . . .

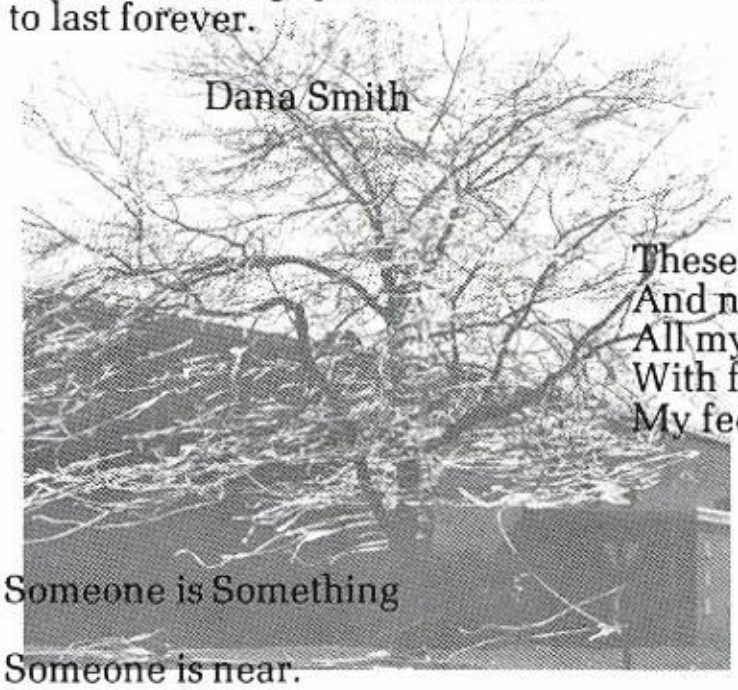
Dennis Miller

Why do tears fall when we cry?
Why do we say what we say?
Why do we feel what we feel?
Why won't it go away?
Will life last forever?
Will love ever come?
Will you ever say good-bye,
or will it be a lasting sigh?
How long must it last?
When will it pass?
Why am I here?
Do I serve a purpose?
Does life have a meaning?
Will someone tell me what it is?
Is this reality?
Am I living a life,
Loving a love?
Why are people afraid of dying?
Why am I afraid to love?

Sandi Cambell

You hold all times in your hands,
it's like the butterfly of hope.
So you either let it go and lose track of it.
Or you hold it gently in your hands,
And do something special with it,
to last forever.

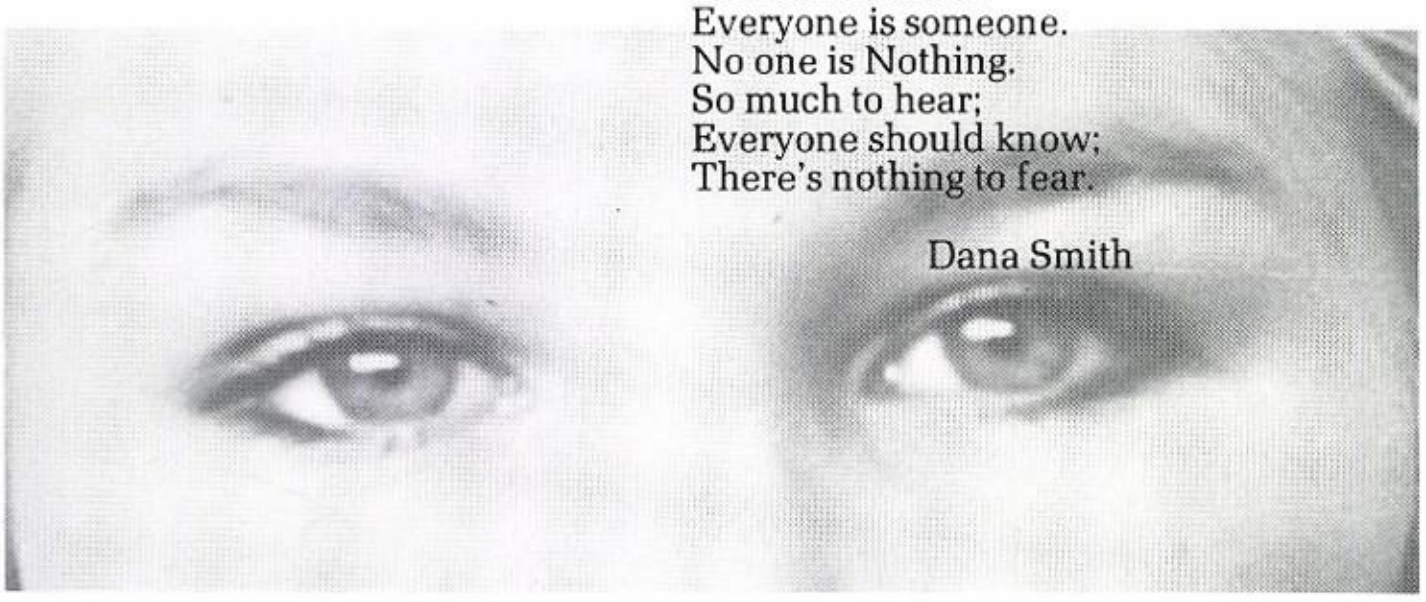
Dana Smith



Someone is Something

Someone is near.
Everyone is someone.
No one is Nothing.
So much to hear;
Everyone should know;
There's nothing to fear.

Dana Smith



The Winner In Me

I've done it before
I'll do it again,
I've met a new challenge
and I'm going to win.

The odds are against me
But you know I don't care,
The concept of failure
I don't need to bear.

Cause I've met some bad times
I've been through it all,
And now, like before,
I'm not gonna fall.

This is a set back
But now I can see,
I can't help but beat it
It's the winner in me.

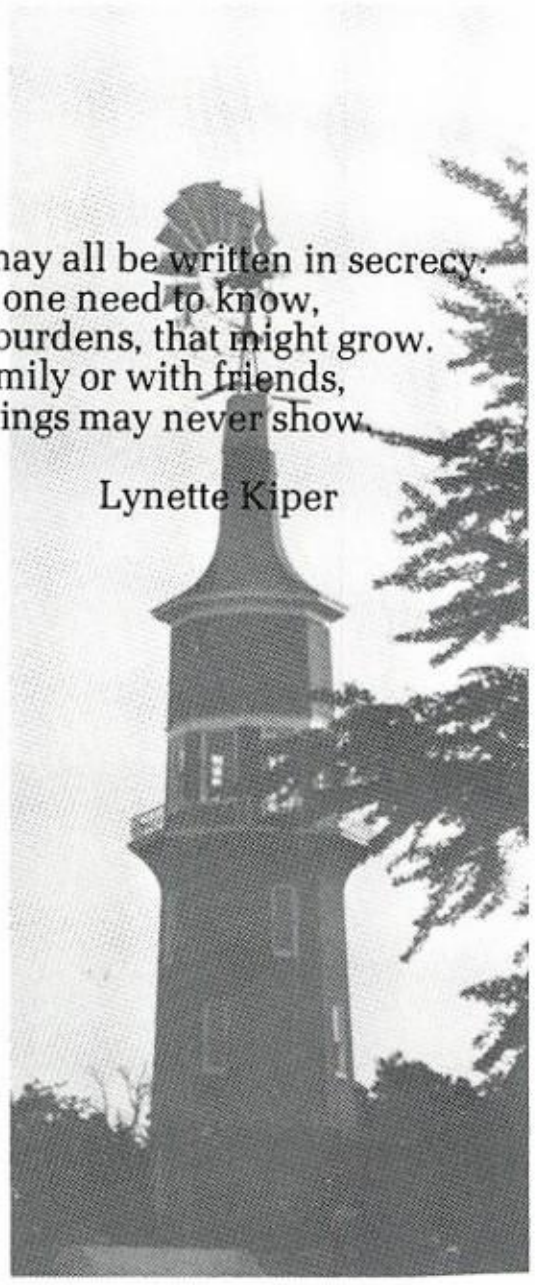
Mary Humbert

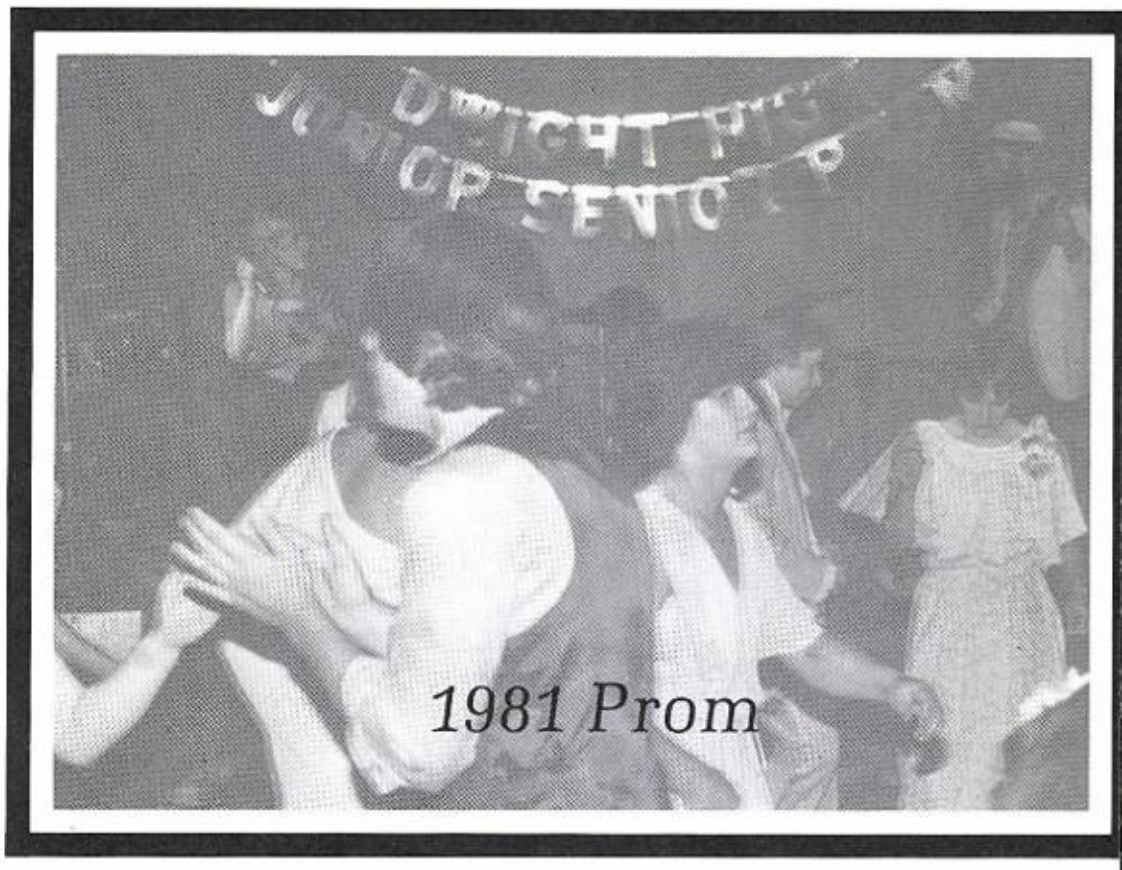
Alone we cannot make it,
We need each other so,
Think of all the times to come.
Think twice before you go.

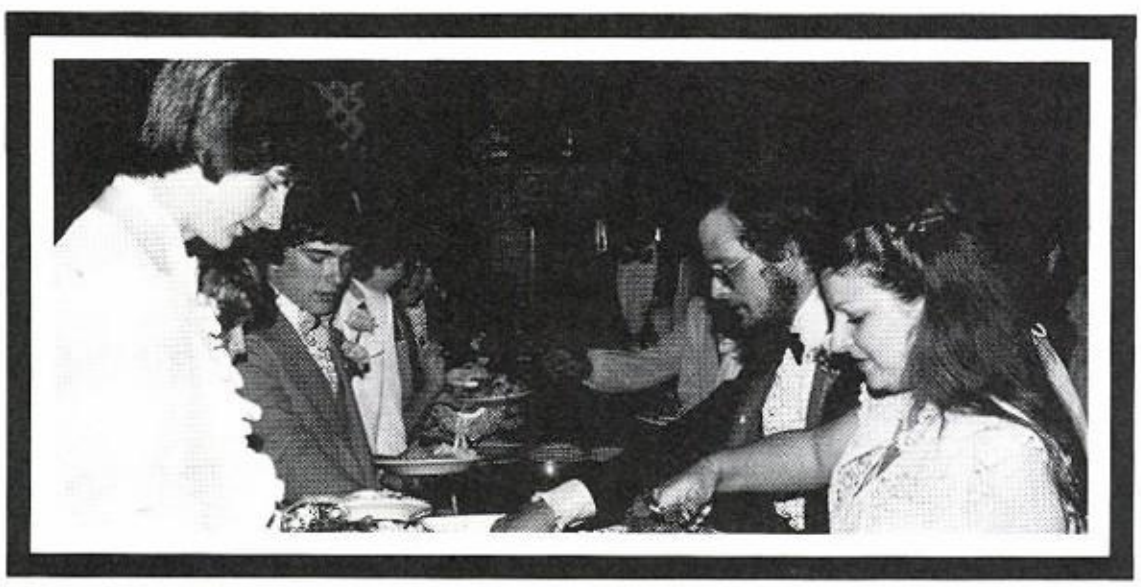
Mary Gravesen

These may all be written in secrecy.
And no one need to know,
All my burdens, that might grow.
With family or with friends,
My feelings may never show.

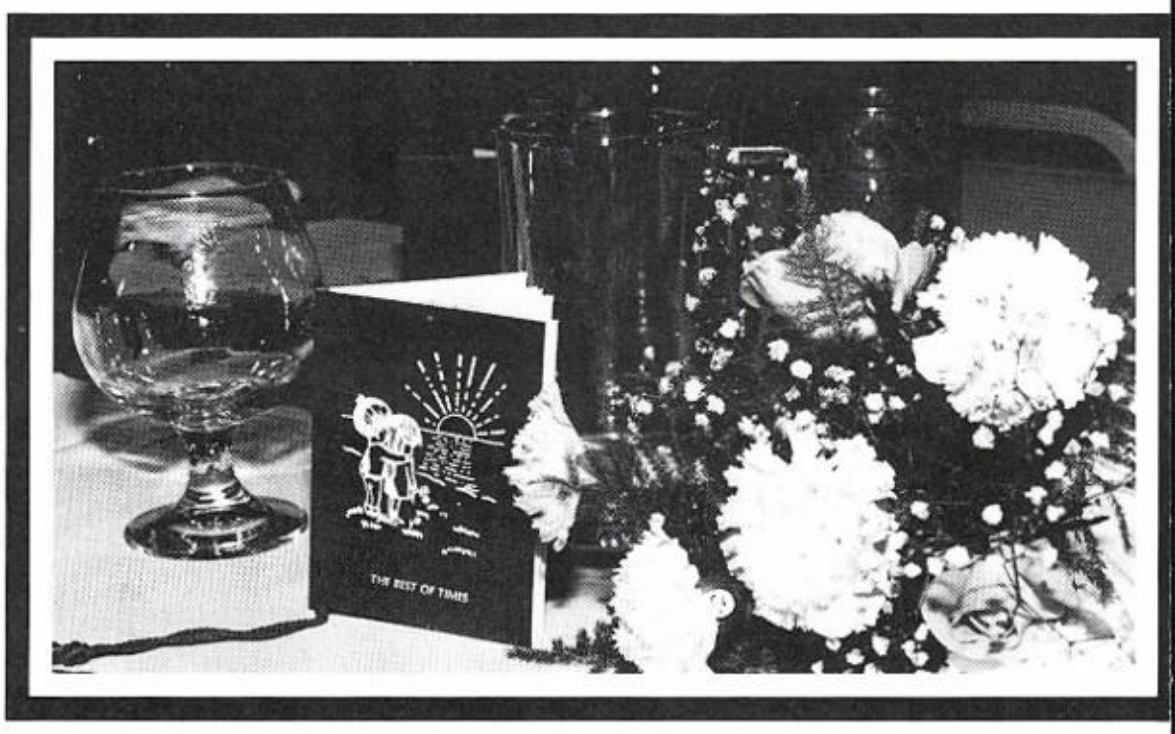
Lynette Kiper

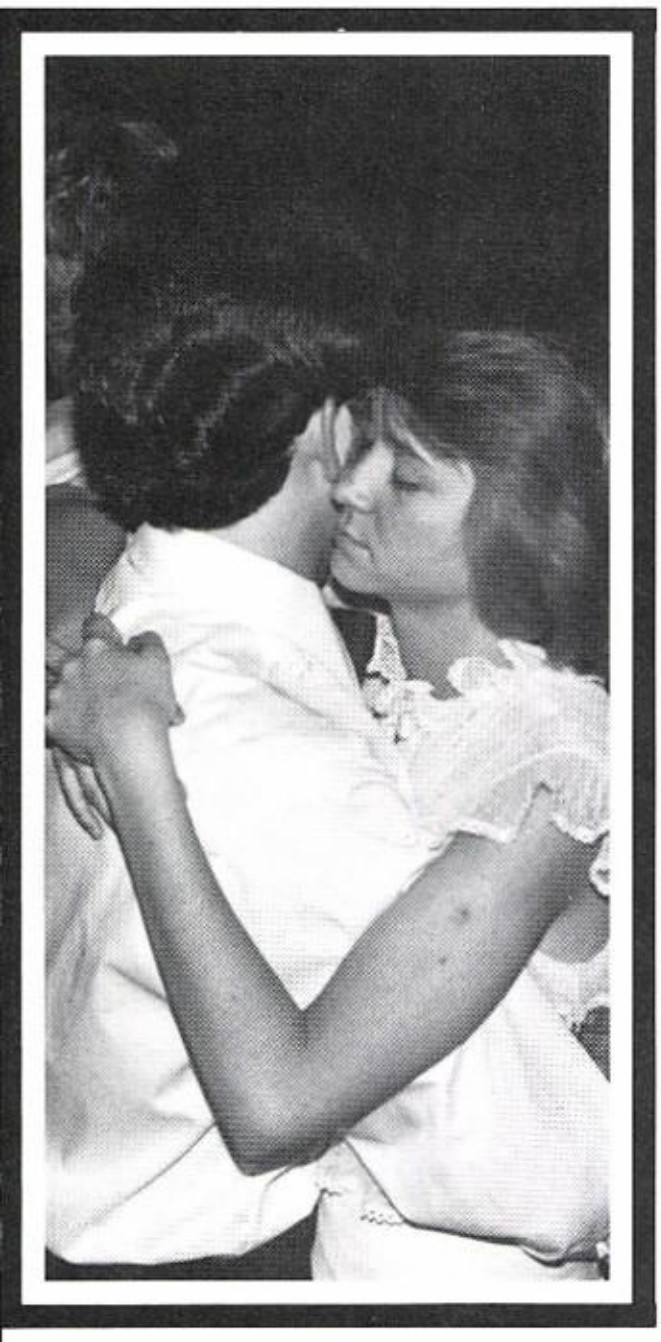


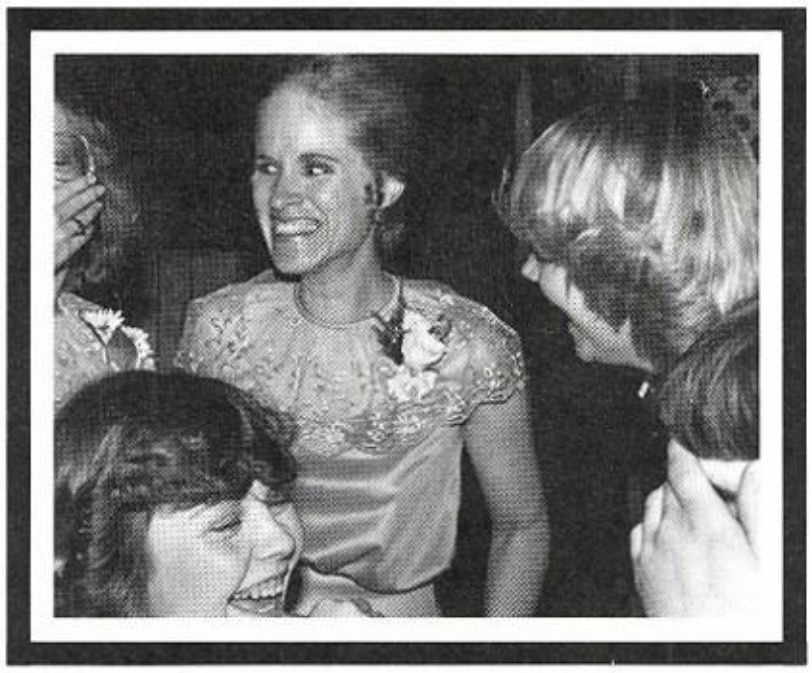




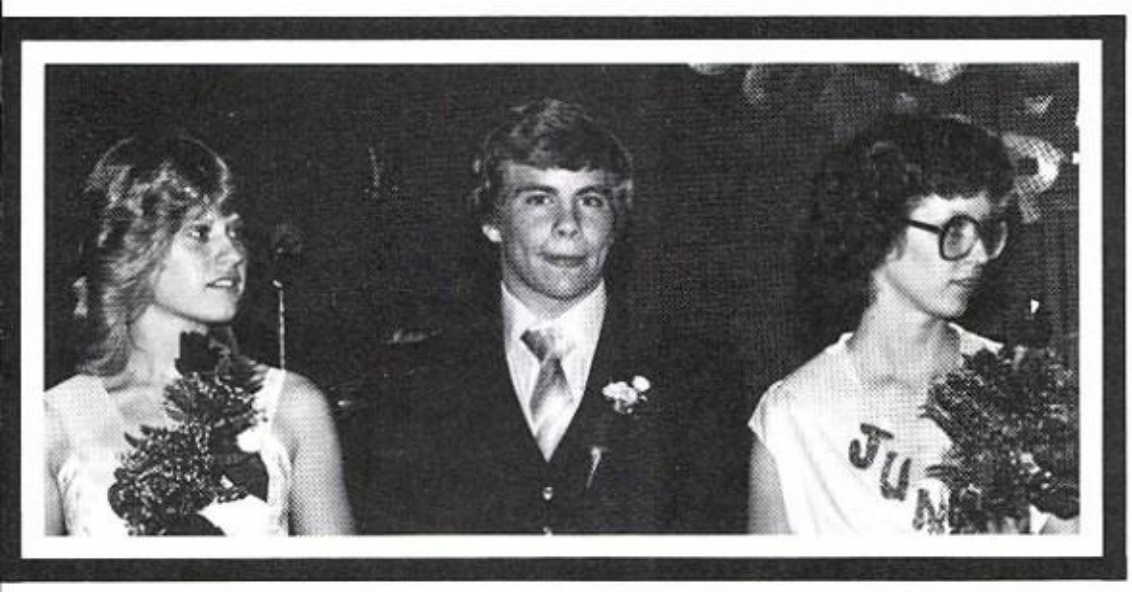
Prom is always a special time in students' lives. Excitement and planning begin with choosing dresses, tuxes, dates and flowers. And when Prom is over, the memories linger in a nostalgic mist and will last long after the souvenirs have been discarded.

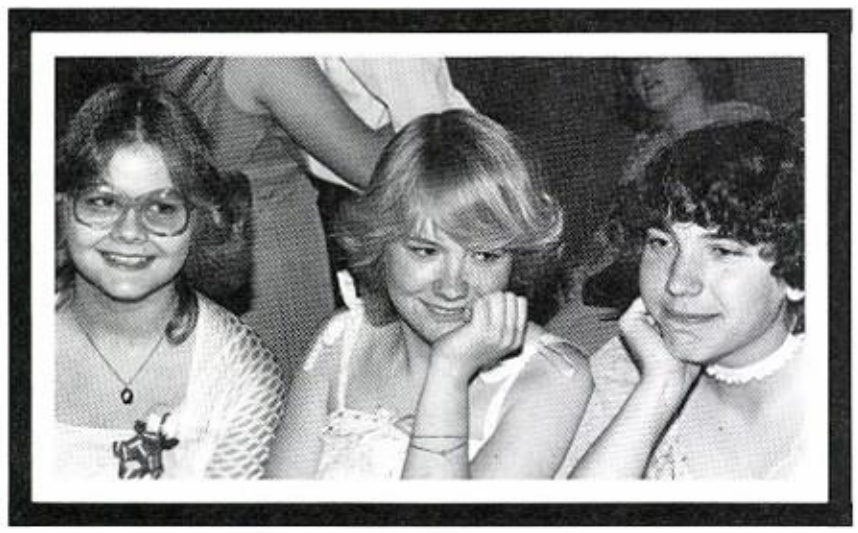




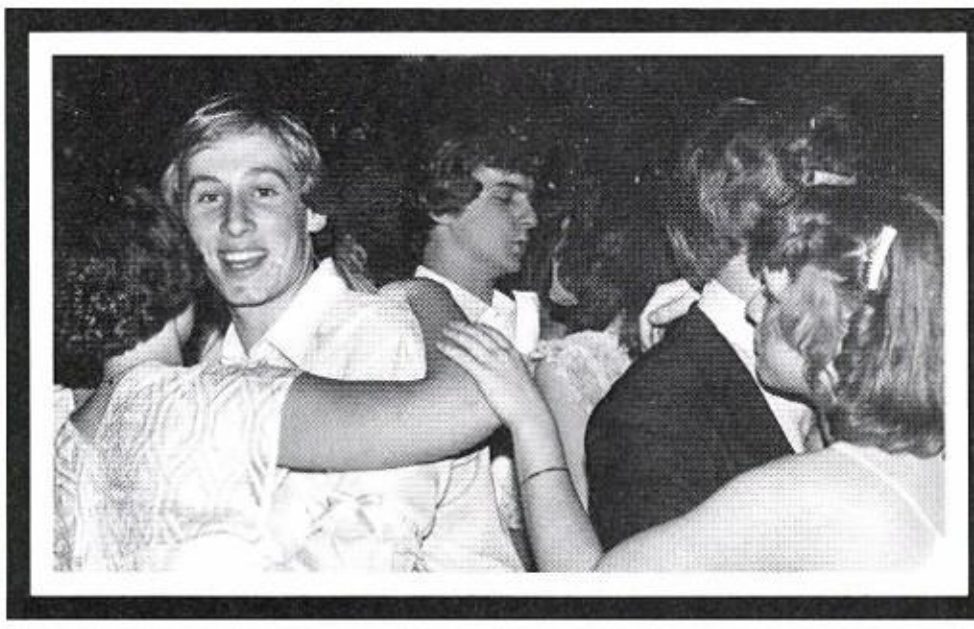


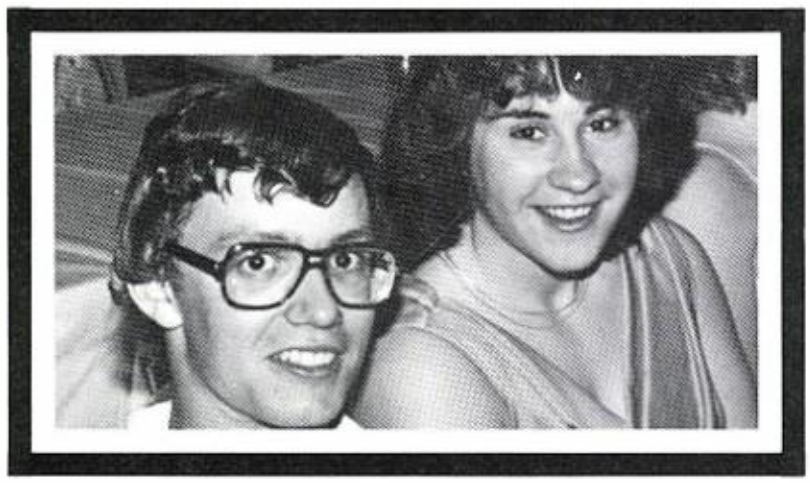
The Palamar Inn was the setting for the 1981 Prom, "The Best of Times." Before being entertained by "Filley," Prom-goers feasted on a Gourmet Buffet which started at 6:30.

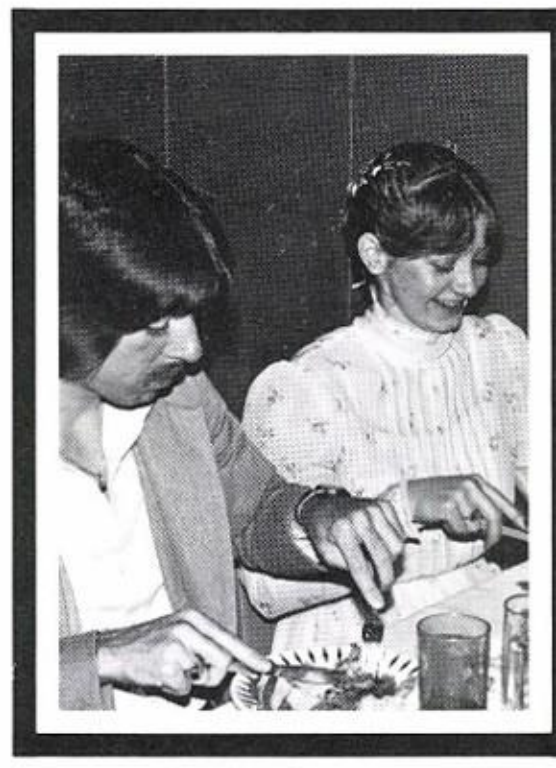


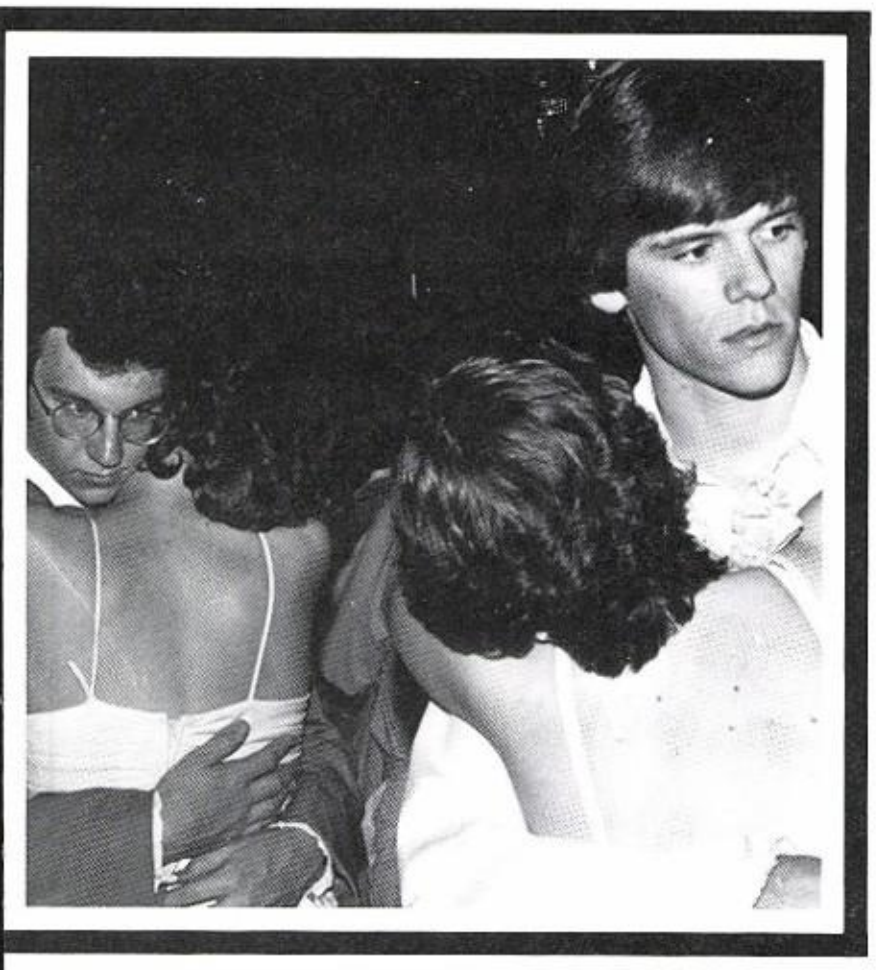


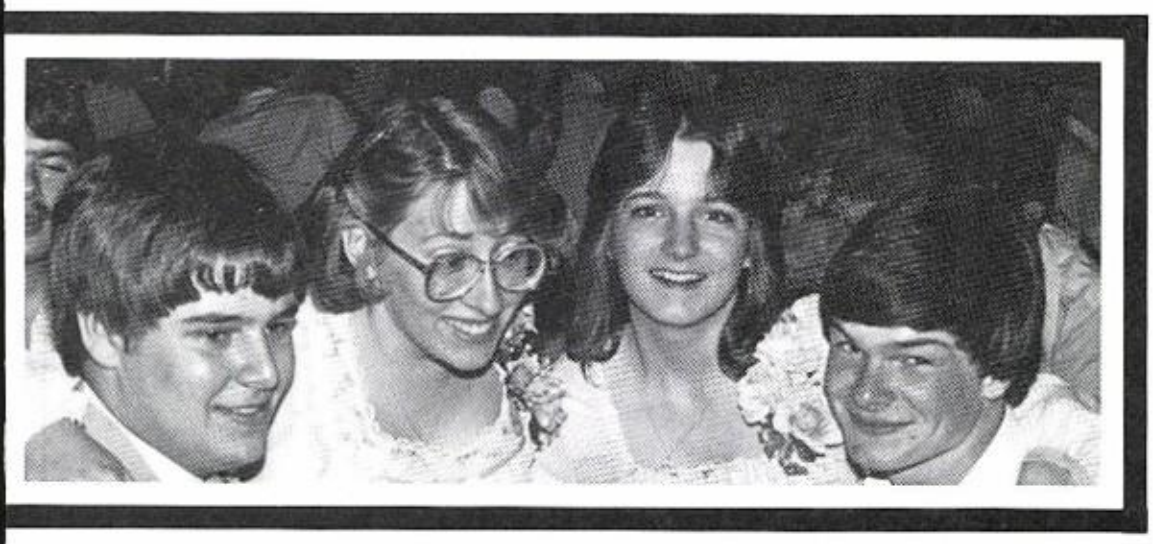
Last year's King Mark Stevens returned to crown the 1981 King and Queen, Phil Orr and Shawn Houck.

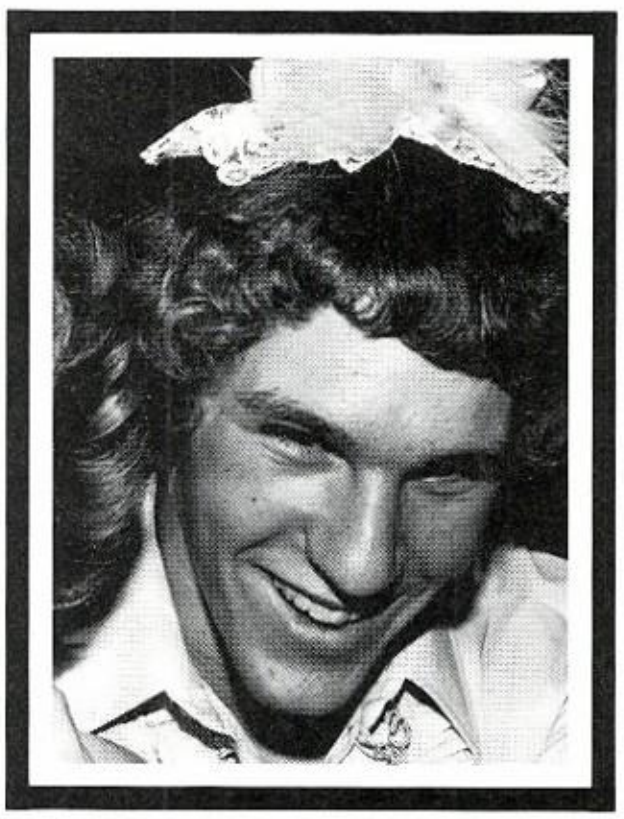




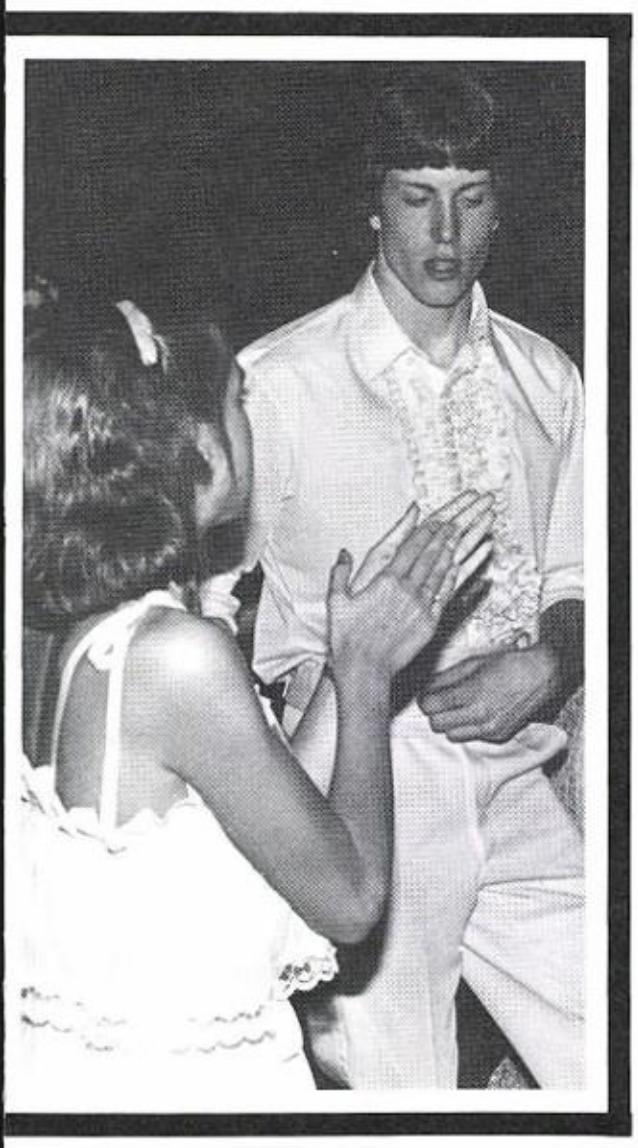




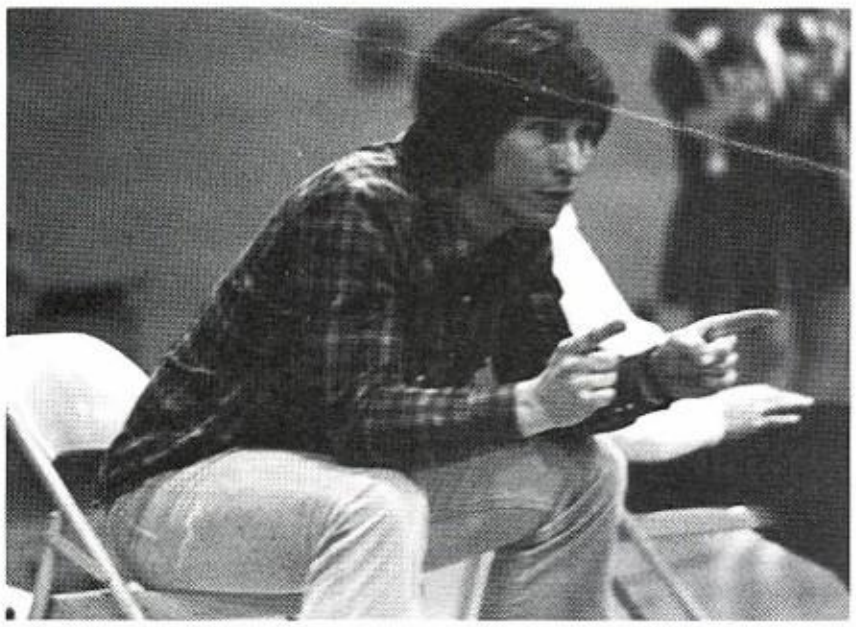


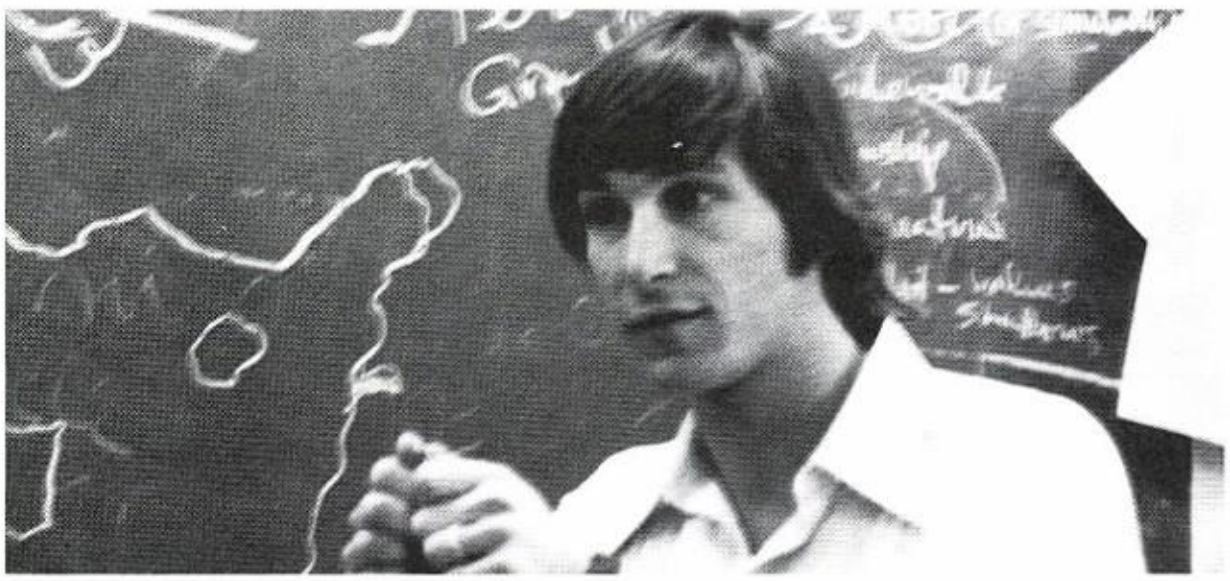


Other Royalty included Senior Attendants Melanie Munger and Rich Mathiesen and Junior Attendants Mary Clausen, Ellen Krischel, Bill Orr, and Dan Budzius.



Dedication





All too often, people wait until someone is gone before they take the time to miss or honor an individual. We want to dedicate the 1981 Trojan Yearbook to someone who is still with us, Bill Skridulis. A high degree of optimism dominates the personality of this man; he expects people to do their best, and he is usually surrounded by people who want to fulfill his expectations. Mr. Skridulis — a talented Art teacher, a former yearbook sponsor, still our yearbook photographic advisor, a former class sponsor, wrestling coach, organizer of the art class trip to Colorado — and most importantly — a friend, thanks for your energy, talent, and time.

Class Motto:

Your life is like that of
a pebble
Sometimes thrown into the
harsh winds, or walked
upon by others.
And yet, you are not crushed,
Instead you shine with the
beauty each pebble
holds.
